VersaPay offers industry leading payment processing, credit card terminals and merchant accounts.

VersaPay is proud to be closely partnered with the BC Chamber of Commerce. Kubera Payments Corporation has teamed with VersaPay to offer gold standard support and solutions for members of the BC Chamber of Commerce for many years.

VersaPay works with the BC Chamber of Commerce to offer preferred rates for credit card processing, electronic bill presentment, invoicing and consulting. We are proud to offer aggressive pricing and gold-standard service for all BC Chamber of Commerce members. Please speak with Chris Browes and your dedicated relationship team to receive a complimentary pricing analysis and processing proposal to determine, in concrete terms, the sort of cost reductions you would see by migrating your processing VersaPay, with integration and implementation support from Kubera.
