

Providing a united voice for business and working to enhance the economic prosperity of the South Cariboo Community.

Ballot for 18th Annual Business Excellence Awards

The Academy Awards dinner will be held on Saturday March 3 at the 100 Mile Community Hall and all are welcome to attend. Tickets are \$35, available now at the **Chamber** office. Seating is limited so get your tickets early to avoid disappointment.

Below are the official nominees for each category. Members are asked to submit their votes by Friday February 24th.
Only one vote per category please.

Note: some nominations were removed either because the nominee has won in the same category within the past three years or because the nominee was not eligible (for example: not a business in a business category or not a non-profit organisation in the non-profit category).
