

Chamber Bucks Information

Our chamber bucks program is a program that keeps the community shopping local. This program is set up so people can purchase the money from the Chamber Office and then disperse as a gift or reward to a friend or employee who then spends it at one of our accepting members businesses. The bucks come in either \$25 or \$50 dollar amounts and we are possibly looking at ordering a \$10 bill as well. When a customer comes into purchase a product or service they have to spend the entire amount of that bill in that business as there is no cash back! The store can offer an in store credit if they choose but do not give change back.

To Redeem the Chamber Bucks a redemption form can be faxed to the store or can be filled out at that Chamber Office. Redemption is very easy, the total amounts received subtract 2% of administration services, and then The Chamber writes a cheque to the business for the remaining amount. If you are interested in being a part of this program and you are a Chamber member please email me at manager@southcariboochamber.org or call 2503956124. If you are not a Chamber Member and are interested in being apart you can download our registration form or stop by the office at #2 385 Birch Ave.
