

Stake holders of the South Cariboo

We are the 100 Mile House WRANGLERS Junior B Hockey club. Our goal is to bring and develop Junior B hockey to 100 Mile House. We are a non profit society that was formed approximately 1 year ago for the sole purpose of bringing this exciting division of hockey to town. Junior B is considered the first step on a long journey to the big leagues.

We are confident that this brand of hockey will be strongly supported by the residents and businesses of our community. We intend to not only bring a team to town but ensure that team is highly competitive and engaging in the community.

Preliminary work has been completed with us attracting a high level of interest from a few teams to move. Our next step is to show support. We are asking for people to step forward and let us know they would, all things remaining equal, would support the Wranglers with by wanting XX season tickets. No money, just a commitment. So how do you give your support?

We are looking for 350 commitments by December 20th. Taking this to league meetings in January will show support to move a team to 100 Mile House. This is our chance, let's take it on as a community.

Price estimates are based on 26 home games

Adult...\$195.00

Seniors and students...\$170.00

Family pack (4).....\$495.00
